POSITIVE PROFIT ALERT

This announcement is made in accordance with Rule 13.09(1) of the Listing Rules.

The Board announces that based on its preliminary review of the relevant unaudited consolidated financial statements of the Group for the six months ended 30 June 2009, it is expected that the Net Profits of the Group for the Reporting Period will represent a significant increase when compared with the unaudited consolidated net profits of the Group for the corresponding period last year.

It is preliminarily expected that the revenue of the Group for the Reporting Period will increase over 80% when compared with the corresponding period last year. In addition, the Net Profits of the Group for the Reporting Period may increase at a higher rate than the growth of the revenue, as a result of the economy of scale and costs control measures of the Group.

Shareholders and investors of the Company are advised to exercise caution when dealing in the securities of the Company.

This announcement is made in accordance with Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board (the “**Board**”) of directors (the “**Directors**”) of Comba Telecom Systems Holdings Limited (the “**Company**”) hereby announces that based on its preliminary review of the relevant unaudited consolidated financial statements of the Company and its subsidiaries (the “**Group**”) for the six months ended 30 June 2009 (the “**Reporting Period**”), it is expected that the unaudited consolidated net profit (the “**Net Profits**”) attributable to the shareholders after taxation and exceptional items of the Group for the Reporting Period will represent a significant increase when compared with the unaudited consolidated net profits of the Group for the corresponding period last year.

Due to the completion of the re-structuring of the PRC’s telecommunications industry in the 4th quarter of 2008 and the issuance of third generation (3G) mobile licenses commenced in the 1st quarter of 2009, there has been a strong growing demand of the mobile network communications equipment. The Company has been able to benefit from the expansion of mobile network facilities

by different mobile telecommunications operators in the PRC and the Company has a series of third generation (3G) communication equipment products that are available for the market. It is preliminarily expected that the revenue of the Group for the Reporting Period will increase over 80% when compared with the corresponding period last year. In addition, the Net Profits of the Group for the Reporting Period may increase at a higher rate than the growth of the revenue, as a result of the economy of scale and costs control measures of the Group.

This positive profit alert announcement is only based on the unaudited consolidated management accounts of the Group for the Reporting Period, which is not reviewed by the Company's auditors yet and may be subject to adjustments. The Company is still finalizing the figures in the unaudited consolidated financial statements for the Reporting Period. Shareholders of the Company and investors are advised to read carefully the interim results announcement for the Reporting Period of the Company, which is expected to be published in early September 2009.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
